24h operation	No

Commercial zone

Your power site near the highway A4!

The approx. 31 ha planned area is located in the immediate vicinity of the 2300 MW Weisweiler power plant. The area of the intermunicipal zone borders in the south-west onto the power plant's tracks which are connected to the public rail network and can be used in consultation with the owners. Due to the area's designation as an industrial zone, building heights up to a maximum of 47 m are possible.

Location	Solitary location
Main companies	Kraftwerk Weisweiler
Industrial tax multiplier	490.00 %
Regional important?	Yes

Erreichbarkeit in 20 Minuten: 410.500
Einwohner

Information about Inden

Inden is connected via the highways A4 Köln-Aachen-Heerlen and Liège A44 Dusseldorf in the region. The neighborhood of the Research Center Jülich supports flexible, long-term settlements.

Invests in the Future: The transformation of the landscape around the opencast mining in Inden creates a lake in the size from the Lake of Tegernsee 2030. But also today this development is the basis for unique local recreation areas around the newly designed landscape . The Goltssteinkuppe with the off-view storm Indemann, cuisine and much opportunities has offers for the whole family.
